Dear Representative,

On behalf of Eagle Forum and the thousands of families we represent throughout the country, we urge you to **vote YES on the *Safeguard American Voter Eligibility* “SAVE” Act (H.R. 8281).**

As millions of illegal aliens have poured over our borders in recent years and overstayed their visas, our country runs the risk of undocumented immigrants swaying election results by simply voting. In fact, states like Ohio, Massachusetts, and Virginia among others have found illegal immigrants on the voter rolls, some even voting in major elections.

With votes being cast for seats in the U.S. House, Senate, and Presidency in November, our elections must be fair and secure so that all Americans have an equal voice. The SAVE Act requires individuals to provide proof of citizenship when registering to vote in federal elections and allows states access to federal databases to clean up voter rolls.

The SAVE Act is a common sense bill that would preserve election integrity for years to come.

For these reasons, Eagle Forum will score in favor of the SAVE Act. We will add this vote to our Congressional Scorecard.

In strength,

Kris Ullman
President, Eagle Forum
